Letter of Recommendation for Susan Houck

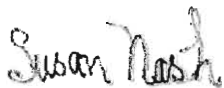

I am absolutely delighted to have the opportunity to write a letter of recommendation for Susan Houck. During my doctoral studies, while I was editor of Windmill, the literary journal for the University of Oklahoma's Department of English, Ms. Houck worked with the manuscripts to create beautiful layouts which were used in the publication of the journal, which was printed at the University of Oklahoma press.

I was impressed with Ms. Houck's work on many levels, including the following:

- Quick turnaround
- Clean, error-free typing
- Attractive layout
- Flexible schedule
- Friendly attitude toward revisions
- Familiarity with numerous software programs
- Effective photo-editing

If you have any questions, please do not hesitate to contact me. Again, I am very happy to write this letter of recommendation because of the high quality of Ms. Houck's work.

Sincerely,

Susan Smith Nash, Ph.D.
Vice President, Operations
